

The Braes of Bonhill

March

P/M James Kirkpatrick

It was James Kirkpatrick (or Jimmy as he was called) who taught the first members of The Murray Pipes & Drums, such as Mats, Martin, Frank, Ulf, and Sven in the 1970's. Jimmy used to live at Bonhill, but he later moved his home and pipe making shop to a place one mile south of Luss. Jimmy died in August 1999. Mats and Sven were in Scotland at the time with the intention to visit Jimmy, but instead got to attend his funeral in Bonhill.
